ALLENTOWN DIOCESAN BOARD OF DIRECTORS

The school year 1977-78 saw many new faces and interesting changes in Marian. A familiar face in a new place was that of Mr. John P. Malarkey, our new principal. Formerly our vice-principal, Mr. Malarkey had always exhibited devotion to God, respect for colleagues and concern for students. These qualities bespeak the current school theme of "Christ-Christian-Caring" and earned him a place of honor and respect in the Marian community. Giving generously of his time and talent since his coming in 1960, Mr. Malarkey is truly a "Man of Marian."

ANDREW FORISH-A FAMILIAR FACE-A DISTINGUISHED PERSON. After thirteen years of faithful service and unending dedication to Marian, Mr. Forish retired from duty as our maintenance man and "Jack-of-all-trades." At a touching farewell appearance which took place during the September ninth pep rally, Mr. Forish shook hands with Mr. Malarkey, who introduced him, and many of the other staff members, some of whom served many years with him. "Andy" will long be remembered for his untiring efforts to keep our school clean and comfortable. Whenever problems arose and things were not functioning properly he had the patience, skill and perseverance to make things run right. We thank him, bid him farewell and wish him happiness and peace in his future years.

vo-tech

At Vo-Tech, students learn how to work in different fields. They may participate in courses such as auto-body, carpentry, commercial art, cosmetology, data processing, drafting, electrical construction, food preparation, masonry, nursing, and welding. In each field the students gain knowledge and valuable experience. Their vo-tech skills along with their classes and activities at Marian prepare them for their future endeavors. All are an important part of the times of their lives.

ring day 77

Father Coleman blesses the rings of the Class of '78 during the liturgy.

The Juniors joyfully anticipate receiving their class rings.

remember
the great times

Diane,
Well, so now what do I say? I can't express in words all the fun times with you, like at the cabin when we all made utter fools of ourselves, Diocesan + County Band (female, oh no!) and of course the times you were at my house, whether for a dance, Nov. 12th, etc. How can you forget the PV-NS game?!! I truly want to wish you all the luck in the world (most of it - I'll need some too). As the song goes, "thank you for bein' a friend." Have a great time during senior year, + try to keep the band going the way it is (the kids that is). Best of luck + success - you'll do OK - 'cause when you want something you go after it 'til you get it. I'm really gonna miss you next year + our talks too. Keep in touch (we live so far away). Keep that great personality, too.

I love ya',

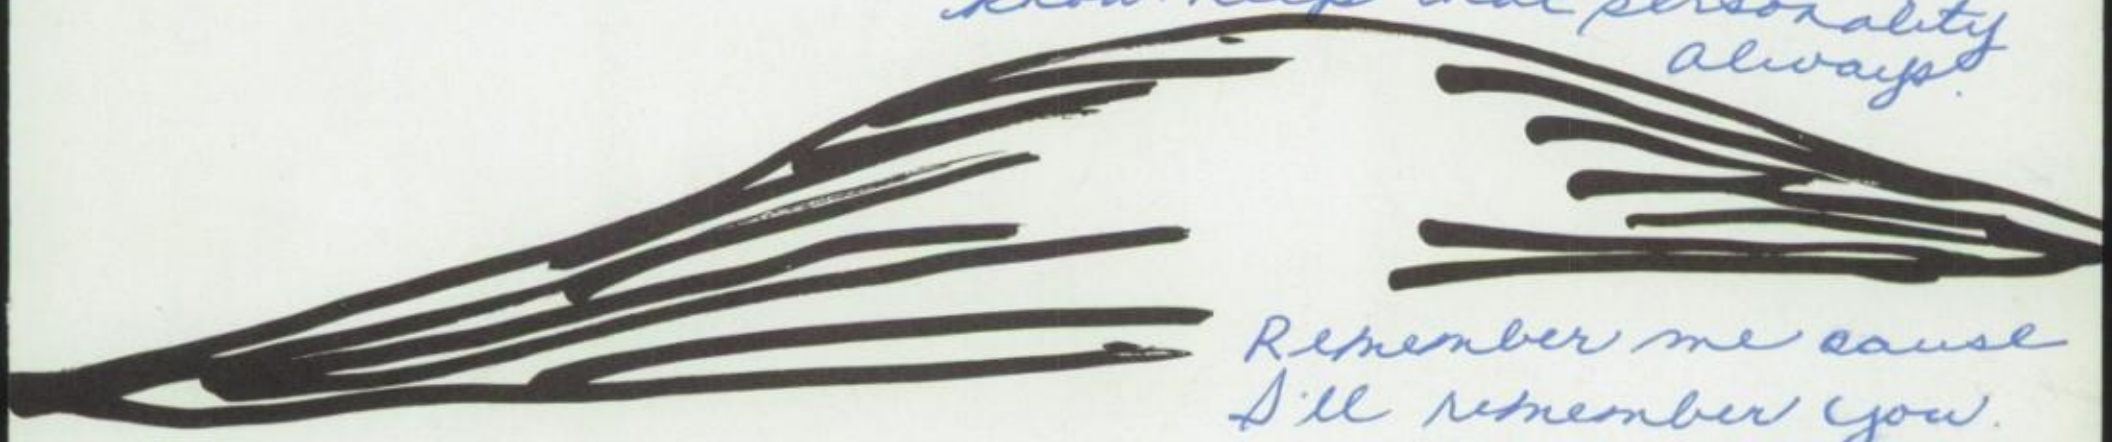
we hold the keys ...



Diane,

Where shall I begin? We've really shared quite a number of great times through these short years. Remember all the long conversations we used to get into on the bus and on the phone, the things we used to talk about the "whos" whats, whens, where etc you know and I know you'll remember the times when we used to feel floaty up on "cloud 9" and how silly we felt. and the silly things we did Plus the saddest and trying moments in our lives. We'll remember the times always and because we're such good friends we'll always, I'll always remember you, for you became a big part in my life We'll always keep in touch I know. Keep that personality always!

Remember me cause I'll remember you.

One of the special people in the class of 1978 was David Dotter. He was always willing to help anyone who asked and did much in the way of service for his Church and the community. He brightened the lives he touched with his selflessness and concern. When he died, David took part of each and everyone of us with him. We, the class of 1978, dedicate this yearbook to David in gratitude for the part of his life that he dedicated to us.

Diane -
thanks for leaving me all this room to write (I hope you can find this). Hopefully you won't have any recurrences of "mono" - I thought you dropped out when you were out for so long. Don't forget to make it to all your summer band practices - I hope we have some classes together again next yr. Good luck in the future Love Frank

we remember . . .

MR. JOHN MALARKEY, our principal, for his support . . .

MR. ANTHONY GENNARO, the Photography Club moderator, and the student photographers, for their time and effort . . .

MR. RICHARD WACHTER, our production guide, for his assistance . . .

HESS'S PORTRAIT STUDIO, for the professional photographers it provides for us . . .

SISTER MARIAN GERARD, our moderator, for her interest . . .

YOU, the faculty, our classmates and patrons, for your cooperation, encouragement and generosity . . .

we thank you

DIANE,

WHAT CAN ONE SAY TO A PERSON LIKE YOU. ALOT - BUT IT WOULDN'T BE VERY NICE. ONLY KIDDING - I THINK? We've SHARED SOME REALLY GOOD TIMES TRAVELING AROUND TO BASKETBALL GAMES AS MARIAN'S ANSWER TO THE CBS SPORTS SPECTACULAR. NEVER FORGET YOUR CRAZY ANTICS THAT ALMOST DROVE ME TO THE EDGE OF INSANITY. SUCCESS AND HAPPINESS IN LIFE WILL BE YOURS BECAUSE YOU DESERVE IT.

Dear Bunny, (Jumpy, Buddy, Marzipan, ...?)

I'll be signed, I'll say I love you forever and then till the page blurs (deep runs) don't know what to begin. At the beginning I thought you were (weird, someone can be as thoughtful and loving as you have made my day complete so many times, I can't count that high (without using two!) DUH!! - one minus one = NUN!! I'm smart!) even more than I found in you. At first I didn't know what a million years would be like, but I never thought I'd have to thank you for so much. I'm never in a school and never will be, I'm sure, but I'm learning from you again, I'll remember all the things you've taught me, I know you are but by and to (Besides you're not my friend anymore that comes to me all the time, because next year we'll be close next year, Cleveland or bust!) I have to thank you and I guess like the ones we had together will silent much more only have two I could say to all, but I know you are
